The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C.20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Lift Station No. 19 Force Main Realignment and Sanitary Sewer Improvements Project in fiscal year 2024. The entity to receive funding for this project is City of Edinburg, located at 415 W. University Dr., Edinburg, TX, 78539.

The funding would be used for rerouting the force main from Lift Station 19 and installing first time gravity sanitary sewer.

The project is an appropriate use of taxpayer funds because it will provide relief to an existing sanitary sewer line that is currently experiencing sanitary sewer overflows due to capacity issues. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Monica De La Cruz
Member of Congress
